**Experience:****1. Junior Software Developer**

Tekdi Technologies Pvt Ltd, Pune

Nov 2019 to Present (11 Months)

I am working with Tekdi Technologies Pvt Ltd as a Software Engineer. Initially I was working with SocialAds, JTicketing and JGive which are the products of techjoomla. Then I moved to service project which is IESA. In this project initially I have worked on site setup and configurations of various components and importing previous site data to new site. After that I mostly worked on Backend development.

## **2. Trainee PHP Developer**

Tekdi Technologies Pvt Ltd, Pune

June 2019 to Oct 2019 (5 Months)

I was undergoing the training in Ram Krishna IT Consultancy Pvt Ltd in Pune as a Trainee PHP Developer for Tekdi Technologies Pvt Ltd. Here I had training in web development, communication skills & DBMS.
