Education:

Qualification	Board / University	Year of Passing	Percentage	Class / Remark
BE	Shivaji University	2019	71.66	Distinction

Experience:

1. Junior Software Developer
Tekdi Technologies Pvt Ltd, Pune
Nov 2019 to Sep 2020

I am working with Tekdi Technologies Pvt Ltd as a Software Engineer. Initially I was working with SocialAds, JTicketing and JGive which are the products of techjoomla. Then I moved to service project which is IESA. In this project initially I have worked on site setup and configurations of various components and importing previous site data to new site. After that I mostly worked on Backend development.

2. Trainee PHP Developer
Tekdi Technologies Pvt Ltd, Pune
June 2019 to Oct 2019 (5 Months)

I was undergoing the training in Ram Krishna IT Consultancy Pvt Ltd in Pune as a Trainee PHP Developer for Tekdi Technologies Pvt Ltd. Here I had training in web development, communication skills & DBMS.

Projects:
